THE BREW OF OLYMPUS.

THE "HOFFMAN," corner of Hotel
and Nuuanu streets, claims to be the
"Banner" resort for gentlemen and holds
the flag. L. H. Dee, the proprietor, has
attained success in his line, by specially
supervising everything connected with his
establishment. He now introduces to his
patrons "Olympia Beer." This brew is
from the "Capital Brewing Co." of
Olympia, the capital of the State of
Washington, and was received by the
"Garonne." Mr. Schmidt, the leading
spirit of this corporation is a practical
Chemist and Brewer, and after years of
search and investigation located his plant
at Olympia, on account of the peculiar vir-
tues of the water of the Tum Falls, a
stream that is noted for its distinctive
qualities of clearness, coldness and lack of
mineral and decaying vegetable impurities.
Pure beer can only be made with pure
water, and Tum water is traditional in
Washington with the Indians and original
white settlers. The "Olympia Draught"
is under the special control and agency of
Mr. Dee and he invites his patrons and
friends to a personal test and is willing to
abide by their judgment on the merits of
his latest venture.
